

SENSI WEEKLY UPDATE

Dear Sensi Community,

Welcome to Edition Fifty Six of the Sensi Weekly Update series. We hope everyone has had a great week! As usual, included in this week's SWU are the typical features. Data captures, community recognition statistics, leaderboards, development update tidbits, etc.

Without further adieu...

BI-WEEKLY POLL

10.09 - 10.16

Which merch would you prefer, or love to see at Sensi?

DEVELOPMENT CHANGELOG

SMARTYIELD v0.96

Changes

Web3CTX

- Generic: cleaned more codelines & deleted unnecessary ones

Frontend

- Generic: added Russian language localization — kudos to Slava!
- Generic: added Portuguese language localization — kudos to Pedrovski!
- Generic: added Dutch language localization — kudos to Marcus!
- UserProfile: added a new page for updating user profile metrics
- AdminPage: harmonized all admin-functions to one page
- Dashboard: rearrangement of the three chart lines by Slava
- LockingPage: updated the logic to the new Smart Contract v3
- LockingPage: added the new capability of setting a flexible period of locking time, plus a bonus for longer periods
- Generic: improved the overall language usage

Backend

- Locking: new updated Locking contract in v3 has been deployed

Bug Fixes

Frontend

- Generic: fixed a bug which led to lose the selected language for the overall frontend
- AppInlineMenu: fixed a typo in the English language file for the chat icon
- Chat: improved the speed of execution + updated the XMTP library
- Generic: fixed a bug which made it possible to access Sensi products via directlink in the URL address bar, even if they were not verified yet
- StatusWindow: fixed a status error + cleaned up the percentage indicator
- UserProfile: fixed the date set error which was not displaying the value correct after it was changed
- UserProfile: fixed the statustext for the profile update window in which a TX is mentioned now
- NFTMarketplace: fixed a wrong total price calculation for the SENSI/BNB pair
- Generic: fixed a few typos in the German language localization

SEE YOU NEXT WEEK!

This concludes Edition Fifty Six of the Sensi Weekly Update. We hope that this update has found you well, and we look forward to seeing you again next week! We wish you all a great rest of your week :)

- The Sensi Team
